

Puerto Madryn, Patagonia Argentina, 2018

Subject: Structure of EVENPa 2019 & Invitation to take part of this event as Sponsor and / or Exhibitor

Mr. Mrs.

The event will focus on three main aspects: exhibition, business relationship and contents, will be carried out in three consecutive days in Puerto Madryn city during the April, 4th, 5th and 6th, 2019 in the facilities of CIMA and Social and Sport Madryn Club, integrating an approximate total area of 20,000m²

Exhibition, will be distributed in three covered pavilions interconnected within the grounds of Social and Sport Madryn Club, will contemplate the distribution of 99 stands of different sizes that be equal to more than 850m² for the presentation of companies, institutions and organizations linked to the industry, with 1,300m² in 10 outdoor lots for the presentation and exhibition of large equipment, machinery and private, commercial and industrial vehicles.

Business Linking, is the main purpose of the event, will facilitate the space and provide the necessary conditions to generate through the business meetings, relationship and links between the representations of companies in order to realize real and valuable business opportunities.

Contents, a broad and intense activity grid will be developed on specific knowledge and technical updating based on seven main thematic areas:

-Aluminium Technology.
-Renewable energies.
-Oil & Gas

-Environment.
-Mining.

-Marine Technology.
-Fishing

The proposals for the approach of the contents contemplate the realization of seminars, trainings, workshops and conferences; the participation of relevant personalities of national and international level, national government officials and academic references of national universities is foreseen.

In view of the magnitude and interest that the event has aroused among municipal, provincial and national authorities; and driven by the positive feedback we have received from different national and international economic sectors in the approach of integrating Patagonia and its companies with existing opportunities inside and outside the country from the main productive sectors of the region: Aluminium, Oil, Gas, Sea, Fishing, Renewable Energy and Mining:

We invite and summon the companies related to the aforementioned sectors to join EVENPa2019 participating as SPONSORS and / or EXHIBITORS and to take part in the Business Meetings, being the creator of this unprecedented event that is shaping up as a benchmark for business integration in Argentina. Companies from the US, Spain, Chile, Chubut, Santa Cruz and Buenos Aires have already expressed willingness to participate.

We trust that the proposal will be well received and we have an affirmative answer about your participation and count your company among the promoters of this great opportunity.

Looking forward to hearing from you, Sincerely,

Oscar Dethier
President CIMA.
Organizing Committee of EVENPa 2019.
